For all public meetings will be offering a preschool program for kids age three to completed kindergarten and a school age program for kids completing grades 1-6. We are asking that all kids pre-register in order for us plan appropriately. The links can be found on our church website. This is going to be a Congress and Commissioning that our kids will never forget!! These two fully immersive programs are top notch and will provide solid Biblical teaching in a fun and exciting way! No kid will want to miss it! So get the word out there! Thanks!
